

SHRIYANS AGARWAL

ASPIRING COMPUTER SCIENTIST & ENGINEER

agar.shriyans@gmail.com | www.linkedin.com/in/shriyans-agarwal-3b0930313

SUMMARY

Founded TSA and Red Cross chapters, leading 300+ peers. Built impactful tools like an AI privacy summarizer and local 911 translation app. Recognized in TSA, DECA, and FRC Robotics. Passionate about using technology and leadership to create real-world change. Looking for internships

EDUCATION

Rock Hill High School August 2023 - May 2027

Top 6%, 3.97 Unweighted GPA, 5.2 Weighted GPA

- Relevant Coursework - AP Computer Science A, AP Computer Science Principles, AP Precal, AP Stats, AP Calculus BC, Computer Science 3, AP Physics 1
- Certifications: Microsoft Word and Excel 2019 Expert (2024), CodeHS Python Certification (2025)

PROFESSIONAL EXPERIENCE

Machine Learning Internship, University of California at San Diego June 2025 - August 2025

- Web scraped and curated multilingual spam datasets, including honeypot spam emails, to support machine learning model development for Spanish-language spam detection at Ujjima S&P Lab
- Collected diverse datasets using techniques such as web scraping and online data mining to support research on flight safety
- Applied research findings to a secondary domain focused on increasing airplane safety using data-driven insights.
- Contributed to future peer-reviewed publications as a co-author

Instructor, iCode April 2024 - August 2025

- Taught 100+ kids aged 4-15 Python, JavaScript, Lua and robotic knowledge over summers
- Youngest Instructor

PROJECTS

911 Translation App June 2025 - Present

Python, Hugging Face SeamlessM4T, Markdown, Local Deployment

- Built an offline, real-time translation tool using SeamlessM4T to help 911 operators communicate with non-English speakers during emergencies
- Designed for local deployment to prioritize speed, privacy, and reliability without requiring internet access
- Currently being tested for real-world use by a local police station to improve multilingual emergency response

Privacy Policy Expert June 2025 - August 2025

Flask, JavaScript, Gemini API, HTML/CSS, Python, Chrome Extension

- Developed a browser extension that uses an LLM (Gemini) to summarize complex privacy policies and advise users whether to accept them, displaying results in a real-time popup
- Built a Python (Flask) backend and a JavaScript frontend
- Engineered to work on 95% of websites, enabling accessible, on-site privacy transparency for users

SKILLS

Python	Node	React	HTML/CSS	Flexible	Responsible
JavaScript	Java	APIs	SQL	Good Work Ethic	Team Worker

EXTRACURRICULARS

- **Leadership & Service:** Founder/President of Technology Student Association (TSA) (80 members) and Red Cross (300 members) School Chapters; led Red Cross drives: 230+ cans, \$1,300+ raised, 173 sandwiches made, 50 activity books created
- **Achievements:** DECA State Qualifier (2025), TSA Nationals Qualifier in Software Development (2025), FRC Robotics Worlds Qualifier (2025, Software Programmer), PVSA Silver (2025)
